

Our Mission: "Provide professional development opportunities to our chapter members through SME sponsored plant tours, networking events and board leadership. Promote manufacturing as a career path to high school students and college students through our scholarship programs."

Ch. 57 Receives 2023 Platinum Status

Chapter 57 achieved Platinum Chapter Status for 2023, SME's highest chapter status. This status is obtained through the involvement of its members, student chapters, and the manufacturing community. Thank you to everyone who has participated in chapter events or been involved in our chapter. We could not have received this status without your contributions! Chapter 57 is currently on track to maintain this status into 2024.

SME Membership Renewal

As a reminder, your SME membership is typically in effect for one year, depending on the timeframe you selected when first joining. We encourage you to periodically check your membership renewal dates to have sufficient time to renew before it expires. Thank you in advance for your renewed SME Membership and especially for your involvement and investment in time and energy! Have questions about membership? Contact Dave Nelson: Dave.Nelson@peoplelinkstaffing.com
